## ABOUT ME

I am Josué Rivera González, I am 20 years old, and I was born on March 18, 2003. I am looking for a job opportunity, and I am willing to learn and work in a team to achieve excellent performance in any job that comes my way. Furthermore, I am a motivated and dedicated person, with a strong commitment to achieving my professional goals and objectives. In addition to seeking employment, I am currently studying software engineering at Cenfotec University.

## WORK EXPERIENCE

*2021 Oct - 2021 Nov*

**Las delicias de Mamá Chilito**

Landing Page Web Development. Experienced in creating captivating landing pages to showcase products and attract customers. Skilled in designing visually appealing layouts and implementing persuasive call-to-action elements.

*2021 Sep - Present project with little actualizations*

**Deportesymas.com.es**

Experienced in creating a web application for free Formula 1 content with advertisements for site monetization. Designed the app to provide live streaming and replays of Formula 1 content. Committed to delivering a seamless user experience.

*2023 Feb - 2023 Mar*

**Nodos Tecnología**

Developed a website to showcase the services and products offered by Nodos Tecnología. The website provides detailed information about their wide range of computer equipment, cameras, and computer components. Designed to effectively present their offerings and highlight the company's expertise in the field of technological solutions.

*2021 June - Present*

**Practice projects showcasing my skills and knowledge.**

Development of personal website projects for practice and demonstration of skills. My web portfolio at **https://josuergweb.web.app** showcases examples of my projects and skills in website development.
